

**NORWICH REGIONAL  
ANIMAL HOSPITAL**

*We are here for you*

**Financial Policy**

Norwich Regional Animal Hospital policy requires payment to be made at the time of service. Accepted forms of payment are cash, check, credit, or debit card.

We can also help you apply for financing for surgical procedures; information is readily available at our front desk. There is no hospital-administered financing program. If you have pet insurance, payment is due at the time of service. Thereafter, please contact your insurance company for reimbursement.

All admissions (hospitalization, testing, surgery and other procedures) will be provided with a written estimate of costs. Depending on the nature of medical care, actual cost may vary. We will attempt to contact you as soon as possible if the cost will exceed the high end of the estimate by 25%.

On admission, a deposit of half of the low end of the estimate is required. The balance is to be paid at the time of discharge. We cannot make exceptions to this policy. Thank you.

~~~~~

I understand that if there is a balance due, for any reason, and it is not paid per NRAH requirements, I will be responsible for any collection and/or attorney fees that are incurred in the attempt to collect the debt.

I have read and consent to the above Financial Policy.
